Château Cavalier 2012

Côtes de Provence

The Art of Provence

The 130 hectares vineyard is located in Vidauban, between Aix-en-Provence and Nice. Florent Gaillard, specialist of rosé wines of Provence, joined the team in 2011, bringing with him 18 years of experience in the region, including that of overall Manager of Operations at the Prestigious Domaine Ott.

Château Cavalier 2012, made under the guidance of the "Creator of Wines" Olivier Dauga, is a pale, shimmering rose-pink colour with an attractive nose of fresh fruit and flowers. Full and succulent on the palate with citrus and peach flavours, this is a deliciously rich rosé: fresh and rounded with good minerality. An excellent to start to any meal, but also a good wine to serve with fish and poultry, dishes in white sauce, or foods flavoured with herbs and spices.
